amenkasu21@gmail.com

An electrical and computer engineer having a bachelor degree in Electrical and Computer engineering in 2022 G.C. so enthusiastic and knowledgeable about team leadership and many software projects. Eager to contribute my core competencies to this organization.

Education

- Degree in Electrical and Computer Engineering
 - Assosa University
 - 2017 – 2022 G.C

Experience

In Assosa University

Project on online voting system

- Web-based online system to manage election securely using HTML, CSS, Database.

Project on smart light control system based on IOT

- A Final Year project that allows users to manage their home or office lighting using smartphone,
- The backend was developed by C language and frontend Bylnk iot platform. The final output was presented using both software simulation in proteus and Hardware devices. The hardware simulation requires LED bulbs, Arduino UNO board, switching devices and different connecting cables which was monitored by smart phone.
- This project was an outstanding project of the year 2022.

Personal Info

Name: Mekdes Gosaye

Date of Birth: Dec. 01/1999

Nationality: Ethiopian

Address

Location: Adama, Ethiopia

Phone: +251904775970

Email: amenkasu21@gmail.com

Language

Amharic: Expert

English: Expert

Oromigna: Expert

Hobbies

- Spending time with my family
- Reading books
- Travelling

Experience...

Internship at Ministry of revenue (MOR) for 5 month before graduation

Outline

- Work as part of Network Team in MOR for 5 days per week. Having my own working environment , assist the team leader in documentation , working on sites and data center

Key Responsibility

- Bid evaluation and Network Configuration
- Monitoring the entire Network infrastructure of MOR
- Designing Network Topology
- Troubleshooting Network and computer issues
- Device and cable placement
- Understand the need for collaboration and provide analytical support for decision-making.

Training

- Certificate of compilation in cisco Certified network Associate (CCNA) in Routing and switching training program (2021 G.C, Assosa university)

Professional Skills

- Communication
- Team oriented
- Network and Security
- Hardware Simulation
- Programming
- Internet of things
- Data structure and algorithm
- C language
- Microsoft offices (Excel, Word)

Soft Skills

- Highly organized
- Hardworking
- Decision-making
- Team oriented
- Commitment
- Communication
- Disciplined
- Fast Learner
- Planning & reporting
